

Christina Wahl

Christina Wahl | Gemmotherapist

Infants, Children, Adolescents, Teens, Adults,
Seniors

Why Gemmotherapy?

I discovered the power of Gemmotherapy after experimenting on myself and my kids. The extracts had an incredible effect on my own generalized inflammation and allergy symptoms – so it made sense to share Gemmos with others. EVERYONE needs to know about Gemmotherapy!

This is how I believe we heal:

We heal by working with and supporting the body's beautiful design instead of fighting against it. The more I learn, the more in awe I am!

Modalities

Gemmotherapy

Homeopathy

Holistic Life Coaching

Christina's Pricing Structure

First appointment

\$150

Follow-up

\$60

Acute

\$60

*Fees are subject to change.
