## Jhuma Biswas | CCH, C.HP

**Infants, Children, Adolescents, Teens, Adults, Seniors**

### **Why Gemmotherapy?**

The three R's – repair, restore, rejuvenate. Stem cells from the plant kingdom, great adjunct to homeopathy.

### **This is how I believe we heal:**

We heal by becoming aware, embracing our dragons and loving our saboteurs (imbalances) into alignment. The surest way to heal a system is by connecting it to more of itself.
