## Packable Lunches III: Black Bean Salad

While in Germany last month I searched for recipes to prepare for my omnivore relatives. Looking for something hearty and with a taste of the southwest, I came across this salad by Deliciously Ella. I love her recipes and since she has yet to let me down I gave it a test spin for a family gathering. I'm proud to say it received rave reviews.

At the time I immediately thought that this would make a fantastic packable lunch. The colors are super appealing, it

smells divine, and the taste is awesome. The fact that it received another thumbs-up the next day, after all the flavors had blended, made it a sure winner for this series. While the original recipe calls for sweet potatoes, I prepared it the first time with butternut squash as the price of sweet potatoes in Germany was outrageous. I honestly think you will find it equally delightful either way.
