

Where Does Gemmotherapy Fit in the World of Herbal Medicine?

It isn't often that my schedule permits me to offer a live class in the U.S., but I cleared the weekend of Nov. 9 when an invitation to teach at AOMA Graduate School for Integrative Medicine arrived. If you are looking for an opportunity to study with me directly, here is your personal invitation! (Register online)

Meanwhile, you may enjoy this interview with AOMA, where I discuss my approach to Gemmotherapy and its place among other therapies.
